

Online Career Exploration Talks 2021

With the aim of encouraging our F.5 students to explore different careers and to learn more about the world of work, the Career and Life Planning Committee organized a series of Online Career Exploration Talks from 19 April to 30 April. The 12-day talks featured 34 speakers from all walks of life:

Day 1: Aviation Manager + Pilots + Cabin Crew Trainer

Day 2: Neurosurgeon + Endocrinologist + Ophthalmologist

Day 3: Physiotherapist + Occupational Therapist + Psychologist

Day 4: Web Designer + Interior Designer

Day 5: Electrical Engineer turned Corporate Trainer + Civil Engineer

Day 6: Teacher + Translator

Day 7: Business Owner + Financial Analysts

Day 8: Barrister + Solicitor

Day 9: Dentist + Nurse (Midwife)

Day 10: Architects + Urban Planner

Day 11: Dietitian + Pharmacist

Day 12: Chinese Medicine Practitioner + Veterinarian

Our students participated actively. We had more than 800 sign-ups in total, and on average, more than 60 students attended the talks every day. Some girls even attended all 12 sessions! According to the results of the post-event survey, the talks were very well-received by the students, many of whom commented that they had benefitted immensely from the interaction with the speakers.

We are truly grateful that the event could be held so successfully amid the pandemic. In fact, video conferencing proved to be a very suitable platform for the talks, with speakers being able to join us from Canada and Australia. We would like to take this opportunity to express our heartfelt gratitude to the MCS Foundation and the Former Student Association for helping to identify speakers for the talks. Without their support, this novel idea would not have materialized. We would also like to thank the following speakers for their precious time and the invaluable guidance and inspiration they have given our students:
